

MU PARENTS ASSOCIATION (MUPA) 2009-2010 Grant Program Information

MUPA has generated a fund that is available to recognize student organizations and university sanctioned activities to enrich, maintain, and expand programs that benefit students on the MU campus. This fund has been designed to encourage, facilitate, recognize, and reward the innovative endeavors of student organizations, academic departments, and student support services.

Through an application process, the MUPA grants money to groups within the university whose activities benefit large numbers of students. The money is used for activities, projects and equipment to enhance the curricular and extracurricular experiences of students.

All grant applications submitted will be reviewed by the MU Parents Association Board of Directors. Projects may be funded in total, partially or denied. All applicants will be notified the status of their application, regardless of decision.
